|B C#m |Am E |

I'm tired of livin' for the hope of someday
tired of longin' for that day to come
there's gotta be more than this mindless waiting
gotta be more that you have for us

c

|B C#m |A E |

|B C#m |Am E |

let your kingdom come, let your will be done
on the earth right now, as it is above
let us be your light to cast out the dark
let us be your love to each broken heart

v2

|B C#m |A E |

|B C#m |Am E |

I'm so tired of people's excuses
even my own, sayin' we've got time
our brothers are dyin' our sisters are cryin'
this world's gotta know that there's hope right now

c

|B C#m |A E |

|B C#m |Am E |

let your kingdom come, let your will be done
on the earth right now, as it is above
let us be your light to cast out the dark
let us be your love to each broken heart

b

|F#m |C#m |A E |B C#m || A E | B C#m | A E | A E |

let your kingdom come, let your will be done
on the earth right now, on the earth right now
